Manufacture's Sample Boots & Shoes.

Cost 15 to 25 per cent. more to manufacture than regular stock the workman are paid extra for the care and pains
they take in making them and the stock is selected from the very best hides regardless of cost, and so taken all in all
a sample boot or shoe will continue to give twice the amount of wear that regular goods will. And besides, there be-
ing only one pair of a kind and all one size they are sold as a

JOB LOT
and at a discount of 25 to 30 per cent.
For years the sharp shrewd retail Yankee Shoe dealers in the near by towns to Boston have been gobbling up all
of these goods and our people have never had the advantage or opportunity of buying samples. So this season we
determined we would get some of this pie for our customers and to that end, we visited scores of manufacturers with
the sole purpose of buying their sample boots and shoes and succeeded in picking up about,

**300 pairs. Unlined Calf, kip and oil Grain, plain and box toe, pegged
and sewed Farmers and laborers Shoes all 8's and 9's. Choice of
this entire lot only \$1.50, not a pair worth less than \$2.00.**
**100 pairs Veal and kip plain and box toe boots all 9's for \$2.50
and \$3.00 not a pair worth less than \$3.50.**

These two lots were all we would pick up this season, and they went last long—so come early. Next season we
promise you more.
In addition to the above, have we the largest and most complete stock of boots and shoes in Southern Ky., in which
may be found

COPIING FROM US.

European countries say take the hint and
do not let Italy's reciprocity idea
The style of reciprocity which the
protectionists in the Senate adopted as
the result of the agitation set in motion
by Hainey seems likely to find an imi-
tator in Europe. The reciprocity ad-
opted by the Senate says, in effect, to the
Southern Nations: "Remove or reduce
your duties on our products within a
year, or up to our duties on your
products."

Now France, who has a great grievance
against us on account of our McKin-
ley tariff, has taken the reciprocity
hint from us and it is said that that
country may "throw a sheet to the
windward" of about the same size, shape
and color as our own. A trade paper
prints the following piece of news:

"On the expiration of the French
treaties of commerce, a customs bill
will be introduced in Parliament fixing
a simple general tariff and giving the
French Government the right to in-
crease the duties on goods from coun-
tries that refuse to grant France eco-
nomic advantages."
It is not a difficult matter to decide upon one
of the countries which France has in
her mind's eye when she speaks of
"countries which refuse to grant France
economic advantages." France has for
months been greatly agitated over our
McKinley tariff measures. She made
efforts to get other European nations to
unite with her in a scheme of general
retaliation against us in order to bring
the McKinley high tariff to a halt. But
their answer, falling to secure the op-
eration of the tariff, was to give up
the duty on our grain to 25 cents a
bushel—a prohibitory rate—while ad-
justing grain from other countries at
15 cents.

France is now willing to go further in
her efforts to come to terms with
her. We try to compel our Southern
neighbors to trade with us by incor-
porating into our laws a threat that if
they do not begin to trade within a year
we will go to war with them. We drink
our free cup of coffee now; but if they
do not buy our "barrel of pork and
bushel of wheat" we will take ven-
geance on them by compelling ourselves
to pay three cents a pound more for
coffee. At present we buy South Amer-
ican hides free of duty, and the untaxed
leather thus going into our shoes is
clearly a benefit to all our people; but
if North America does not open her
markets to us, we shall be forced to
pay for our leather and make our own
people pay a tax of \$1.50 on every hundred
pounds of hides they buy from South America.
In this way we fancy that we shall
"even with" our southern neighbors.
That is a simple way to settle with
them. But, strange as it may seem,
France is ready, if correct, to
adopt our smart Yankee trick, and,
of course, to try it on us as the first and
most guilty victim. Verily, "The na-
tions do imagine a vain thing."

Operations of Our Wine Trust in the
Philippine Islands—Trying to Force the
Trade to the Hemp Dealers in Manila—
An Extraordinary Monopoly Meets With
More Opposition than Threats of Lynch
Law.
The latest consular reports give some
facts about the operations of our hemp
monopolists in the Philippine Islands.
In view of Senator Davis' attack on the
binding trade trust in his speech in the
Senate, and in view further of the vote
of fifteen Republicans with the Demo-
crats to put binding trade on the free
list, this report from the Philippine
Islands is of special interest at this
time.

In his attack on the trust Senator
Davis said: "The entire business, in-
cluding the sources from which the free
list, this report from the Philippine
Islands is of special interest at this
time."

My son is afflicted with weak lungs
and has tried various treatments, but
Dr. Bull's Sarsaparilla has done him more
good than all other medicine. I
cheerfully make this statement for
the benefit of the afflicted.—John S.

SMALL MILLERS SUFFER.

An Example of How the Tariff Protects the
Strong and Oppresses the Weak.
A good example of how the tariff is
constructed to help the strong rather
than the weak, the rich rather than the
poor, is seen in the drawback amend-
ment which was put into the Tariff bill
upon the motion of Senator Sherman.
A drawback is simply a refunded duty.
When any dutiable material is brought
into the country it pays, of course, the
legal duty; but if the material is used
in the manufacture of some article, and
this article is then sold abroad, the
duty is refunded 90 per cent. of the
duty.

Now let us turn to the Consular re-
ports and see what the tariff is doing in
the Philippine Islands. There is a total
of 100,000 bales of hemp in the islands,
and it is said that the hemp trade is
largely grown on these islands and
extends to some extent in this country
and in England and to some extent in
the United States. The hemp trade in
the United States is valued at \$4,000,000
worth of hemp is produced in the islands,
and the Government has a monopoly of
this trade. This is now Mr. A. H.
Webb.

In the Consular reports are printed
three reports from Mr. Webb in which
he says that the hemp trade is a total
of 100,000 bales of hemp in the islands,
and it is said that the hemp trade is
largely grown on these islands and
extends to some extent in this country
and in England and to some extent in
the United States. The hemp trade in
the United States is valued at \$4,000,000
worth of hemp is produced in the islands,
and the Government has a monopoly of
this trade. This is now Mr. A. H.
Webb.

"South African Progress"

Our Consul at Cape Town, South
Africa, sends to the State Department
at Washington a report on what he calls
"South African Progress." Among
other things he calls attention to the
great growth of imports into the coun-
try. These imports amounted in 1888
to \$5,438,000; but in 1889 to \$7,942,000.
The Consul in his report says that the
growth of the country is clearly shown
by the fact that the imports have in-
creased by more than 40 per cent. in
one year. He also says that the coun-
try is a great source of gold and other
mineral products, and that the coun-
try is a great source of labor for the
United States. He also says that the
country is a great source of labor for
the United States.

Parents, you do yourselves and
your children great injustice if you
fail to give your children Dr. Bull's
Worm Destroyer. Many little lives
are sacrificed by such neglect.

Hopkinsville, Kentucky.

TUESDAY, - OCTOBER 11, 1899.

PERSONAL GOSSIP.

Mr. E. G. Schree, of Henderson, is in the city.

Miss Corn Deen is visiting Miss Mary Clark.

Mrs. Jas. Fall, La. Crosse, Wis., is visiting Mrs. Pauline Lander.

Mr. C. M. Brown visited St. Louis last week to see the President.

Rev. S. N. Vail and Mr. A. M. Wills are attending the meeting of their Presbytery in Louisville.

Dr. Andrew Seargent returned Saturday from a trip to Louisville, where he had been to attend a meeting of the Mississippi Valley Medical Association.

CREAM OF NEWS.

Brown's Majority Increased.
The counting board yesterday made public their decision in the Lander-Brown contest. Thirty-three of Lander's votes and thirty of Brown's were thrown out, increasing Judge Brown's majority of 21 to 24. No attention was paid to the list of votes claimed by Lander who were not recorded on the books as voting for him.

Brown's Light Sentence.
The trial of W. T. Brown for the killing of Conductor Landon was concluded at Nashville last week. He was given a sentence of two years only, for manslaughter. On Saturday he decided not to take an appeal and was committed to the Nashville penitentiary. As he will get four months' "good time," his sentence will expire in June 1892.

Special Registration.
The special registration Friday and Saturday was very light, owing to the scarcity of material left after the very full registrations last summer. So far as heard from the result was: Hopkinsville No. 1, 2; No. 2, 2; No. 3, 1; No. 4, 0; Casky, 5; Newstead, 1; Union School House, 1; Beverly, 1; Hainbridge, 2; Mt. Vernon, 4; Fairview, 1; Fairview, 2; Bellevue, 1; Garrettsburg, 1.

All Three Held Over.
Joe Leavell, Geo. Murphy and Bill Davis, the three negroes jailed as accessories in the killing of Geo. Rutledge by Geo. Griffin, last Wednesday, were tried Saturday before Judge Morrow. The trial occupied most of the day, as there were a great many witnesses. All of them were held over, Leavell under a \$1,000 bond, Murphy under a \$250 bond and Davis on his own recognizance for \$100.

The first two went to jail and Davis was released. Murphy may be able to give bail, but Leavell will probably stay in jail till March.

Headaches and Fevers, to cleanse the system effectually, yet gently when costive or bilious, or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver, to a healthy activity, without irritating or weakening them, use Syrup of Figs.

The Golden Troupe.
Martin Golden's excellent dramatic company will begin a four nights' engagement at the Opera House tomorrow night with "The Martyr."

Miss Emma Butler is the leading lady. She is not only beautiful but possesses great talent and stage charm of a high order. Harry Robinson is the comedian and is a good one. "The Martyr" and other plays to be presented during the week are now to this city and are sure to please with their originality and merit. The company throughout is made up of ladies and gentlemen who are actors worth the name. Mr. Golden carries his own orchestra and band and will furnish the music for the fair company.

Read This Testimonial.
"The United States Mercantile Protective Association—Gentlemen: After trying every possible way to collect a number of accounts on my books, I gave your System a trial with the most gratifying results; even so far as to collect those of four and five years standing which I had given up for lost. I recommend the System in the very highest of terms."

Mr. A. A. Metz will have in his new house one of the handsomest residences on South Main. The frame work is now up.

J. E. Wicks, of Stuart's precinct, killed a deer last week which he brought to town and disposed of at 20 cents a pound.

Among the long list of pensions granted to Kentucky applicants Thursday was one for Stephen Watt, Hopkinsville, Ky.

There will be a wheat sale at Julian Oct. 21 and farmers are invited to attend and sell their crops. It is expected that 40,000 bushels will be offered.

The new residence of Mr. E. M. Plack is an ornament to one of the fashionable residence streets of the city. It presents a very handsome appearance and is much admired by all who see it. Mr. Plack moved into it Saturday.

W. W. Alexander, Agt.

Coal has been discovered on the Harmed place a few miles northeast of town, but its quality and the extent of the deposit have not yet been investigated. The prospectors believe they have struck a good vein of first-class canal coal.

A great many Wheelers were in town yesterday and the Democrats almost to a man are for Ellis and laugh at the idea of supporting the nominee of the little Republican showboat at Henderson. Christian County Democrats don't follow Republican leaders.

Mrs. Nancy Huston Banks, formerly of this city, has been appointed one of the Lady Managers of the World's Fair. She was offered the place which pays \$180 a month, through the instrumentality of Hon. James A. McKenzie. Mrs. Banks is a very talented lady and eminently qualified to fill this important position.—Henderson Journal.

About a week ago Omar S. Brown, the fugitive embezzler, sent in his resignation as a member of the Public School Board. His resignation was of course accepted and Saturday night the Board met and filled the vacancy by electing Mr. Dennis F. Smithson. Mr. Smithson is in every sense a suitable man for the place and in choosing him the Board has made a capital selection.

The performance given by the Pythian Amateur Minstrels Friday night was all that the public had been led to expect it would be. The audience was a very large one, almost filling the Opera House, and was made up of the best people of the city. All of the young gentlemen participating acquitted themselves handsomely and we regret that lack of space prohibits us from giving a detailed account of some of the features. The performance netted about \$150.

During the visit of Mrs. R. W. Reach to this city last week her residence at Henderson, Ky., was entered by burglars and all her jewelry stolen, amounting in value to several hundred dollars. The thieves entered through a window, and doubtless made their exit the same way, as all the family silver was found tied up in napkins and lying near a window, as if it had been dropped in flight. Two watches were stolen, among other valuables. Mr. Reach was sleeping in the house at the time, but was not awakened by the thieves.—Clarksville Leaf-Chronicle.

Pearl Zimmer, the bright little six-year-old daughter of Mr. Nathan Zimmer, died Sunday morning, at her home on South Virginia street. The disconsolate parents have the heartfelt sympathies of many friends in the loss of their last born, the joy and pride of their hearts and the light of the household she brightened with her presence.

What Does It Mean?
"100 Doses One Dollar" means simply that Hood's Sarsaparilla is the most economical medicine to buy, because it gives more for the money than any other preparation. Each bottle contains 100 doses and will average to last a month, while other preparations taken according to directions, are gone in a week. Therefore, be sure to get Hood's Sarsaparilla, the best blood purifier.

Christian County Beauties.
(Once-born Messenger.)

Miss Mamie McKenzie, of Christian county, was the recipient of marked attention. Being the daughter of the distinguished gentleman who three times represented this district in Congress and whose fame is known throughout the country, there was a general desire among his many and loyal friends to meet her. Attracted by her handsome appearance, those who met her were charmed by her rare conversational powers, in both of which she bears strong resemblance to her father. She was a decided favorite.

Another Christian county girl, who is noted for her beauty throughout the State, was Miss Lillie Woodbridge. Her visits are looked forward to with great pleasure by her many Owensboro admirers. She was especially lovely in the Greek gown she wore at the fair hop.

Every tissue of the body, every nerve, bone and muscle is made stronger and more healthy by taking Hood's Sarsaparilla.

Another Barn Burned.

A barn filled with line tobacco belonging to Geo. Burdland, who resides near Crofton, was consumed by fire last Thursday. The loss is estimated at \$500, with no insurance. It caught from the intense heat while firing.
